ABSTRACT

This directory lists employees of the federal government who are involved in forecasting for policy formation and trend prediction purposes. Job title, agency, business address, phone or e-mail number, and specialty areas are listed for each employee. Employees are listed for the following agencies: (1) Bureau of the Census; (2) Bureau of Economic Analysis; (3) Bureau of Health Professions; (4) Bureau of Labor Statistics; (5) Department of Veterans Affairs; (6) Economic Research Service; (7) Energy Information Administration; (8) Environmental Protection Agency; (9) National Center for Education Statistics; and (10) U.S. Geological Survey. Fifty-four selected publications in the area of forecasting are listed, and a form is included to register for inclusion in the next forecasters' directory. (SLD)
